I am a 5th semester student majoring in Information Systems at Bina Nusantara University. I have internship experience for 3 months as UI/UX Designer. In addition, I have skills as a front-end developer such as HTML, CSS, JS, React.js. I have good adaptation and communication skills, as well as the ability to collaborate in a team as shown by my role as Freshmen Partner B2027. I have an interest in becoming a web developer and a UI/UX designer.

EDUCATION

Bachelor of Information Systems   Sep 2022 - Present
